OBJECTIVE

Computer Science Engineering (Cyber Security) student pursuing a B.Tech at Sri Venkateswara College of Engineering with a strong interest in the IT industry. Possessing foundational knowledge in Java, MySQL, and programming concepts, and seeking an opportunity to gain practical hands-on experience, enhance technical skills, and contribute to real-world software development projects while growing as an IT professional.

EDUCATION

B.Tech in Computer Science Engineering (Cyber Security)	2023 – 2027
Sri Venkateswara College of Engineering	CGPA: 8.29
Intermediate (MPC)	2021 – 2023
Narayana Junior College	Percentage: 90.4%
Secondary School Certificate (SSC)	2021
Ratnam High School	Percentage: 99.5%

SKILLS

Programming Languages	Java, C, Python (Basics)
Databases	MySQL
Tools & Platforms	Git, GitHub, VS Code, IntelliJ IDEA
Operating System	Windows , Linux
Core Concepts	Object-Oriented Programming (OOP), Database Management Systems
Soft Skills	Leadership, Problem Solving, Teamwork

PROJECTS

- **Student Management System**
Developed a Java and MySQL based application to manage student records efficiently. Implemented CRUD operations for adding, updating, viewing, and deleting student information while ensuring data consistency through database integration.
- **Library Management System**
Built a desktop-based library management application using Java and MySQL to automate book issue, return, and inventory tracking processes. Improved record management and reduced manual effort through database-driven operations.
- **Personal Expense Tracker**
Designed an expense tracking application using Java that allows users to record daily expenses, categorize transactions, and monitor spending habits. Implemented data storage and reporting functionalities for better financial tracking.

LEADERSHIP

- Served as Class Representative, acting as a bridge between students and faculty while coordinating academic and administrative activities.
- Coordinated the Farewell Event for senior students, managing event planning, communication, and team collaboration to ensure successful execution.
